Any relevant interests and conflicts of interests.	None	None	None	<p>I have been the Independent Chair of the Derbyshire Local Government Pension Board since 2023. As declared in my application, this appointment is neither employment by, nor elected membership of, either of the two local authorities (Derby City Council and Derbyshire County Council) which share the responsibility of administering authority in respect of the Derbyshire Pension Fund. Local Pension Boards are statutory bodies established under the provisions of Section 5 of the Public Service Pensions Act 2013 and regulation 106 of the LGPS Regulations 2013 (as amended). Legal opinion obtained by the Scheme Advisory Board in January 2015 concluded that local pension boards are not local authority committees.</p>
