Mr Crittenden
Chief Executive
Derbyshire County Council

Dear Mr Crittenden

Annual Review Letter 2025–26

I wrote to you in May with your annual summary of complaint statistics from the Local Government and Social Care Ombudsman for the year ending 31 March 2026. In that letter, I explained that where we had concerns about your organisation's complaint handling, or to highlight exceptional performance, I would write again, and I have set out our experience of your organisation's complaint handling below.

As a reminder, **your annual statistics are available here.**

In addition, you can find details of the decisions we have made about your organisation, read the reports we have issued, and view the service improvements your organisation has agreed to make as a result of our investigations, as well as previous annual review letters.

This letter will be published on our website on 15 July 2026.

Your organisation's performance

During the year, we experienced delays in our investigations due to the Council's failure to respond to our enquiries in a timely manner. Responses were late in 60% of cases. This issue was concentrated within Children's and Education Services.

We noted some improvement later in the year, with the Council becoming more proactive in notifying us of anticipated delays and requesting extensions.

The Council should take steps to improve the timeliness of its responses. It is important that we receive requested information promptly and that any delays are clearly communicated. If there is any support my office can provide to help improve the situation, please do let me know.

Supporting complaints and service improvement

We remain committed to supporting the sector to embed effective systems of redress. Where authorities are navigating reorganisation and devolution, we are ready to help ensure that robust complaint handling is built into new arrangements from the outset. Please do get in touch if your organisation would benefit from our advice and guidance.

Our Complaint Handling Code, in force since April 2025, is now applied in our casework and offers structure and support to your local complaint system. Our training programme provides a flexible,

expert-led route to building complaints capability across your teams, with courses open for individual delegates to book. Contact training@lgo.org.uk for more information.

Our Annual Review of Local Government Complaints will be published next week, setting out the national picture of complaints, trends across service areas, and emerging systemic issues. We encourage you to read it alongside your own organisation's data.

Yours sincerely,

A. K. Clarke
