Mr Barlow
Chief Executive
East Lindsey District Council

Dear Mr Barlow

Annual Review Letter 2025–26

I wrote to you in May with your annual summary of complaint statistics from the Local Government and Social Care Ombudsman for the year ending 31 March 2026. In that letter, I explained that where we had concerns about your organisation's complaint handling, or to highlight exceptional performance, I would write again, and I have set out our experience of your organisation's complaint handling below.

As a reminder, **your annual statistics are available here.**

In addition, you can find details of the decisions we have made about your organisation, read the reports we have issued, and view the service improvements your organisation has agreed to make as a result of our investigations, as well as previous annual review letters.

This letter will be published on our website on 15 July 2026.

Your organisation's performance

During the year, we made two requests for information from your Council in relation to Environmental Services complaints. On both occasions, responses were delayed, on average by around two weeks beyond expected timescales. In one case the delay was significant enough that we took the unusual step of threatening to issue a witness summons before the required information was provided.

Please take action to improve responses to our enquiries. It is important that we receive the information we need promptly, and that any anticipated delays are communicated to us in advance. Please let me know if there is any support we can provide.

Supporting complaints and service improvement

We remain committed to supporting the sector to embed effective systems of redress. Where authorities are navigating reorganisation and devolution, we are ready to help ensure that robust complaint handling is built into new arrangements from the outset. Please do get in touch if your organisation would benefit from our advice and guidance.

Our Complaint Handling Code, in force since April 2025, is now applied in our casework and offers structure and support to your local complaint system. Our training programme provides a flexible, expert-led route to building complaints capability across your teams, with courses open for individual delegates to book. Contact training@lgo.org.uk for more information.

Our Annual Review of Local Government Complaints will be published next week, setting out the national picture of complaints, trends across service areas, and emerging systemic issues. We encourage you to read it alongside your own organisation's data.

Yours sincerely,

Amerdeep Clarke
